

“A Season to Grow”
a.k.a. the District 28 Membership Building Contest

Summer is a season of growth. Days are longer. Plants get taller. With a little TLC, your membership roster can grow, too! “A Season to Grow”, the District 28 membership building contest, is an excellent opportunity to help your club build its membership AND earn the chance to attend the Fall Conference for free! Here’s how it works:

- For current clubs (chartered before July 1, 2005), for every NEW member that a club signs up during the time period July 1-September 30, the club will have one token dropped into the flowerpot.
- A bonus token will be added for every four new members that club signs up. (For example, four new members, five tokens. Eight new members, 10 tokens.)
- To be as fair as possible, and to keep things simple, the TI District 28 Performance Report for September 2005 will be used as the official data source. Please be aware that membership applications submitted by mail, or submitted electronically very close to the deadline, may not be reflected in the report. Once TI posts this report, the drawing will be held and the results announced.
- Four tokens will be drawn. Each winning club will receive one **free full package registration to District 28’s 2005 Fall Conference**, scheduled for November 18-19, 2005, at the Holiday Inn-Fairlane in Detroit, Michigan.

Additional Rules:

- Clubs may win more than one free registration. It’s simply the luck of the draw.
- Winning clubs may choose which members receive the free registration by a random drawing, member vote, rock/paper/scissors, etc. If a recipient has already registered for the conference, his or her registration fee will be refunded.
- Awards are not transferable to another club.
- Free registrations are valid for only District 28’s 2005 Fall Conference, and do NOT include hotel accommodations or any other charges.
- To be eligible, a club must be in good standing with TI (dues paid).

Newly Chartered Clubs:

For each club chartered July 1 - September 30, 2005, that newly chartered club will automatically receive a complete set of the Better Speaker Series modules. After the club charters, if the club adds additional new members by September 30, those new (non-charter) members will be counted toward the main contest.
